ICoICT 2019

THE 7TH INTERNATIONAL CONFERENCE ON INFORMATION AND COMMUNICATION TECHNOLOGY

24th - 26th July, 2019, Kuala Lumpur, Malaysia

<https://www.icoict.org/>

The 7th International Conference on Information and Communication Technology (ICoICT 2019) will be held in Kuala Lumpur, Malaysia on July 24 – 26, 2019. The conference offers a good opportunity to enhance international academic exchange on ICT related topics and to provide a platform for researchers to discuss new problems and solutions. ICoICT 2017 and ICoICT 2018 were held in Melaka, Malaysia and Bandung, Indonesia, respectively.

ICoICT 2019 intends to be the premier forum for academicians, industrials, professionals, and students to exchange knowledge and sharing research innovation in a broad scope of coverage of information communication technology (ICT). The conference will feature traditional paper presentations, poster presentations, tutorials, demos, as well as keynote speeches by renowned educational experts and authorities. The theme is “Advancements in IoT and AI for Smart Living”. The Internet of Things (IoT) acts as a network of devices, vehicles, buildings and other items for digital lifestyle, while Artificial Intelligence (AI) enhances efficiency and brings modern conveniences to smart living.

Prospective authors are invited to submit full papers describing original research work in areas including, but not limited to:

Sensing Devices and Systems: Cyber-Physical System, Human Machine Interface, Virtual and Mixed Reality, Network and Wireless Computing, Security Systems

Connected Communities and Societies: Social Networking, Healthcare and Wellness, Digital Society, Human Factor and Usability Studies, Privacy and Social Aspects of Societies

Data Management for Smart Living: Big Data Analytics, Data Mining and Sentiment Analysis, Social Network Analytics, Data Sources and Integration

Ambient Assisted Lifestyle: Activity Recognition and Behaviour Monitoring, Event Detection, Context Awareness System, Machine Learning and Intelligent Systems, Affective and Ubiquitous Computing

Secure IoT: Distributed, Pervasive and Embedded Systems Security, Multimedia and Internet Security, Web-based Application and Service Security, Cyber Security, Network Security and Cryptography, Digital Forensics, Biometric Security, Malware Analysis and Detection

Paper Submission: Please submit full papers to the conference website at <https://www.icoict.org/>. All submitted papers should be in the form of .pdf or .ps and are to be limited to a maximum length of 6 pages (Letter size, single space, Times New Roman of font size 10, two columns format), including figures, tables and references. Please use the template from the website. Upon acceptance, authors will be required to register and present their papers. Papers will be published in the conference proceedings only if at least one of the authors is officially registered. Additional paper can be registered at a reduced rate.

ICoICT 2019 is technically sponsored by IEEE Systems, Man, and Cybernetics (SMC) Malaysia. All accepted papers in ICoICT 2019 will be published in the conference proceedings and will be submitted for publication in IEEE Xplore.

In addition to the technical sessions, Keynote Addresses on the State-of-the-Art in various tracks of Information and Communication Technology will be delivered. For more information, please visit: <https://www.icoict.org/>.
